End of Year Celebration

On Thursday we held a very special end of year assembly as we celebrated the past academic year and the many achievements of our students. It was a lovely assembly and a great way to end the school year. Students from all year groups talked about their favourite part of the year as they shared artwork that they had completed.

We enjoyed performances from Year 1 who read a poem they had written collaboratively, and from Early Years who sang a beautiful song complete with rainbow wands. A number of awards were also handed out, details of which can be seen later in this newsletter. Towards the end of assembly, we said goodbye to departing pupils and staff members as we looked towards the start of the next academic year.

I would like to say a huge thank you to our entire school community for their hard work and support since September 2016. Teaching and administrative staff, parents and facilities staff all play an important role at our school. It is essential that everyone involved in school life works together to create the best possible learning environment for all pupils and I am delighted that we have had such a strong and dedicated team at the RGSGQ.

For those families leaving our school I wish you the very best for the future and for those returning I look forward to welcoming staff, pupils and parents back to the RGSGQ in September.

Nettles win the House Cup!

Throughout the year students at RGSGQ have been busy collecting points for their house teams: Austen, Beckingham, Hamad, Powell, Nettles and Valpy. Students receive points for good behaviour, effort, progress and attainment, in addition to weekly Superstar points and regular house competitions. In assembly on Thursday Nettles were crowned the inaugural winner of the House Cup, narrowly edging out Powell into second place by just 16 points.

Well done to all our house teams for their effort and achievement this year, and to Nettles for emerging

victorious.
