MR DAVID KEERY

MESSAGE FROM THE HEAD OF SECONDARY

Dear Parents,

It gives me great pleasure to welcome you all to the new academic year at RGSGQ. Whether you are returning after the summer or joining us for the first time, I hope you feel the same sense of pride and excitement that I do as we begin this next chapter together.

One of the highlights of our first week was seeing our students return to school in such immaculate uniforms. The smartness and care with which it has been worn reflects not only personal pride but also respect for our community. First impressions matter, and the way our students present themselves sets a powerful tone for the year ahead.

Equally striking have been the wonderful displays across the school. They showcase not only the creativity and achievements of our students but also the dedication of our staff. Walking the corridors, I am constantly reminded of the

richness of learning and the talent that exists within our community. These displays are more than decoration—they are a celebration of effort, excellence, and imagination.

At the heart of all we do are the core values of RGSGQ: Scholarship, Courage, Integrity, Respect, and Collaboration. Already this term, I have seen these values demonstrated in the way students support one another, the respect they show to staff, and their willingness to embrace challenges. These principles guide us daily and ensure that every member of our school feels valued, inspired, and part of something greater than themselves.

As we move forward, I encourage all of our students to continue to wear their uniform with pride, to contribute actively to the vibrant environment of our school, and to embody our values in everything they do. Together, we will make this a year of excellence, growth, and shared achievement.
